INFORMATION CIRCULAR

with information as at October 18, 2023 *(except as otherwise indicated)*

This Information Circular is furnished in connection with the solicitation of proxies by the management of Metalex Ventures Ltd. for use at the annual general meeting (the “Meeting”) of its shareholders to be held on November 22, 2023 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to Metalex Ventures Ltd. “Common Shares” means common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein, for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and

- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so using one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) via Computershare's internet website www.investorvote.com. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In each of the above cases Registered Shareholders must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays, and holidays) prior to the Meeting or the adjournment thereof.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing process and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("**OBOs**") object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("**NOBOs**") who do not object to the issuers of the securities they own knowing who they are.

Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") the Company distributes copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the "Meeting materials") to the Depository and Intermediaries for onward distribution to Beneficial Shareholders. The Company does not send Meeting materials directly to Beneficial Shareholders. Intermediaries are required to forward the Meeting materials to all Beneficial Shareholders for whom they hold Common Shares unless such Beneficial Shareholders have waived the right to receive them.

These securityholder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a beneficial owner, and the Company or its agent sent these materials to you directly, your name, address and information about your holdings of securities were obtained in accordance with applicable securities regulatory requirements by the intermediary holding securities on your behalf.

If you are a Beneficial Shareholder:

If you are a Beneficial Shareholder you should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“**VIF**”) in lieu of the proxy provided by the Company. The VIF will name the same persons as are named on the Company’s form of Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), who is different from any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, insert the name of the desired representative, which may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge’s instructions. Broadridge will then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting to vote your Common Shares.**

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare, or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Notice to Shareholders resident in the United States

The solicitation of proxies is not subject to the requirements of Section 14(a) of the U.S. Exchange Act by virtue of an exemption applicable to proxy solicitations by foreign private issuers as defined in Rule 3b-4 of the U.S. Exchange Act. Accordingly, this Circular has been prepared in accordance with applicable Canadian disclosure requirements. Residents of the United States should be aware that such requirements differ from those of the United States applicable to proxy statements under the U.S. Exchange Act.

This document does not address any income tax consequences of the disposition of the Company’s shares by shareholders. Shareholders in a jurisdiction outside of Canada should be aware that the disposition of shares

by them may have tax consequences both in those jurisdictions and in Canada, and are urged to consult their tax advisors with respect to their particular circumstances and the tax considerations applicable to them.

Any information concerning any properties and operations of the Company has been prepared in accordance with Canadian standards under applicable Canadian securities laws, and may not be comparable to similar information for United States companies.

If financial statements are included or incorporated by reference herein, they have been prepared in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards Board, and are subject to auditing and auditor independence standards in Canada. Such consequences for the Company Shareholders who are resident in, or citizens of, the United States may not be described fully in this Circular.

The enforcement by the Company Shareholders of civil liabilities under the United States federal securities laws may be affected adversely by the fact that the Company is incorporated or organized under the laws of a foreign country, that some or all of their officers and directors and the experts named herein are residents of a foreign country and that the major assets of the Company are located outside the United States.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last two completed financial years of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as may be set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Board has fixed October 18, 2023 as the record date (the “**Record Date**”) for determining persons entitled to receive notice of the Meeting. (2) See Note (2) to *Election of Directors* table below.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the

case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

FINANCIAL STATEMENTS

The audited consolidated financial statements of the Company for the financial year ended April 30, 2023, the report of the auditor thereon and the related management's discussion and analysis will be placed before Shareholders at the Meeting for their consideration. No formal action will be taken at the Meeting to approve the financial statements. Management recommends the approval of the resolution to set the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is vacated earlier in accordance with the provisions of the British Columbia *Business Corporations Act* ("BCA"), each director elected at the Meeting will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Advance Notice Policy

On November 29, 2013, the Board adopted an advance notice policy (the "**Advance Notice Policy**") with immediate effect. The shareholders of the Company ratified, confirmed and approved the Advance Notice Policy at the Company's annual general and special meeting held on November 29, 2013. The Advance Notice Policy provides for advance notice to the Company in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the Act or (ii) a shareholder proposal made pursuant to the provisions of the Act.

Among other things, the Advance Notice Policy sets a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form. The Advance Notice Policy also requires all proposed director nominees to deliver a written representation and agreement that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director.

The foregoing is merely a summary of the Advance Notice Policy, is not comprehensive and is qualified by the full text of such policy, a copy of which is attached as Schedule "A" to the Company's management information circular filed under the Company's profile at www.sedarplus.ca on October 31, 2013. Pursuant to the Advance Notice Policy, all nominations for election as director not made in compliance with the Advance Notice Policy will be disregarded at the Meeting.

CORPORATE GOVERNANCE

General

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“NI 58-101”) requires issuers to disclose their corporate governance practices and National Policy 58-201 - *Corporate Governance Guidelines* (“NP 58-201”) provides guidance on corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101 and its adherence to NP 58-201.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the company’s shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered “independent” if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship, which could, in the Board’s opinion, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management of the Company through frequent meetings of the Board.

Management was delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board reviews executive compensation and recommends stock option grants.

Fifty percent of the Board members are independent. The independent members of the Board are Lorie Waisberg and Glenn Nolan. The non-independent directors are Charles Fipke, Chairman of the Board and a controlling shareholder of the Company, and Chad Ulansky, President and CEO.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Compensation

The Board determines compensation for the directors and the procedures for this determination are described under *Statement of Executive Compensation* below. With respect to compensation paid to the Chief Executive Officer, please refer to *Statement of Executive Compensation* below.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the audit committee on an ongoing basis.

Deferred Share Unit Plan (*Share-Based Awards*)

The Company has a Deferred Share Unit Plan dated for reference October 7, 2022 (the “**DSU Plan**”), which was approved by Shareholders at the Company’s annual general meeting held on November 24, 2022.

The purpose of the DSU Plan is to provide Participants with the opportunity to acquire DSUs and enable them to participate in the long-term success of the Company and to promote a greater alignment of interests between such Participants and the Shareholders. A DSU essentially tracks the value of the underlying Common Shares but does not entitle the recipient to the actual underlying Common Shares until such DSUs vest. Under the DSU Plan, the maximum number of Common Shares reserved for issuance, including Options, RSUs, and DSUs currently outstanding, is equal to 10% of the Common Shares outstanding from time to time on a non-diluted basis, unless the Company has obtained Disinterested Shareholder Approval as that term is defined therein in TSXV Policy 4.4.

As at October 18, 2023 there were 10,345,872 Deferred Share Units (“**DSUs**”) outstanding, representing approximately 4.41% of the outstanding Common Shares.

Summary of Material Terms of the DSU Plan

The material terms of the DSU Plan are set forth below. Capitalized terms used but not otherwise defined below shall have the meanings ascribed to such terms in the DSU Plan.

Eligible Participants

Participation in the DSU Plan is restricted to directors of the Company who are (i) not otherwise an employee of the Company and (ii) designated by the Board as eligible to participate in the DSU Plan. The DSU Plan is administered by the Board.

Transferability

The rights respecting the DSUs are non-transferrable and non-assignable other than by will or the laws of descent and distribution.

Grant of DSUs

The Board will establish an annual compensation amount (the “**Annual Base Compensation**”) payable to Participants. The Annual Base Compensation will be payable in quarterly installments. The Board may elect quarterly to grant up to 100% of a Participant’s Annual Base Compensation in DSUs.

Each Participant who elects to receive their Annual Base Compensation in DSUs will be credited on an account maintained on the books of the Company (the “**Participant’s Account**”) with the number of DSUs calculated to the nearest thousandth of a DSU, determined by dividing the dollar amount of such compensation payable in DSUs on the grant date by the Share Price (as defined below). For the purposes of the DSU Plan, the “**Share Price**” of the Common Shares is determined, as at a particular date, as the closing price of the Common Shares on the TSXV averaged over the five consecutive trading days immediately preceding (a) in the case of a grant, the date of the grant in respect of a Director; or (b) in the case of a redemption, the redemption date, being the date that a notice of redemption (the “**Notice of Redemption**”) is received by the Company (the “**Redemption Date**”), or in the event such Common Shares are not traded on the TSXV, the fair market value of such Common Shares as determined by the Board acting in good faith (the “**Fair Market Value**”).

Payment of DSU Awards

A DSU must be outstanding for at least one year before it vests and may be redeemed, subject to certain exceptions. Each Participant will be entitled to redeem his or her DSUs during the period commencing on the business day immediately following the date of such Participant’s death, or retirement from, or loss of office or employment with the Company (within the meaning of paragraph 6801(d) of the regulations under the *Income Tax Act* (Canada) or any successor to such provision), including the Participant’s resignation, retirement, death or otherwise (the “**Termination Date**”) and ending on the date that is 12 months following the Termination Date by providing or causing his or her legal representative to deliver a written Notice of Redemption to the Company.

Upon redemption, the Participant will be entitled to receive, and the Company will issue and provide: (i) subject to shareholder approval of the DSU Plan and the limitations set forth therein, the number of Common Shares issued from treasury equal to the number of DSUs in such Participant’s Account, subject to any applicable deductions and withholdings; (ii) subject to and in accordance with applicable laws, the number of Common Shares purchased by an independent administrator of the DSU Plan in the open market for purposes of providing Common Shares to Participants under the DSU Plan equal in number to the DSUs in the Participant’s Account, subject to any applicable deductions and withholdings; (iii) in the event that the Company has granted DSUs as dividend equivalents and if upon the redemption thereof the Company does

not have a sufficient number of Common Shares reserved and available for issuance, the payment of a cash amount to a Participant equal to the number of DSUs multiplied by the Share Price, subject to any applicable deductions and withholdings, in lieu of issuing Common Shares; or (iv) any combination of the foregoing, as determined by the Board in its sole discretion.

Payment of Dividend Equivalents

When dividends are paid on Common Shares, a Participant shall be credited with dividend equivalents in respect of the DSUs credited to the Participant's Account as of the record date for payment of dividends and no payment in cash should be made to any Participant with respect to such dividend equivalent. Such dividend equivalents shall be converted into additional DSUs (including fractional DSUs) to be calculated by: (a) multiplying the amount of the dividend per Common Share by the aggregate number of DSUs that were credited to the Participant's Account as of the record date for payment of the dividend, and (b) dividing the amount obtained in §(a) by the Fair Market Value on the Redemption Date of the DSU with respect to which the dividend equivalent was granted.

Maximum Number of Common Shares Issued

The number of Common Shares that may be granted by the Company in accordance with the DSU Plan, provided the maximum number of Common Shares which may be issued from treasury in connection with the redemption of DSUs, in combination with the aggregate number of Common Shares which may be issuable under any other security based compensation arrangement (as defined below), will not exceed 10% of the Common Shares outstanding from time to time on a non-diluted basis, subject to customary adjustments in accordance with the terms of the DSU Plan and, if required by the TSXV Policies or any other stock exchange on which the Common Shares may then be listed, and by the shareholders of the Company.

If and for so long as the Common Shares are listed on the TSXV: (i) no DSUs may be granted to any Investor Relations Service Providers, as defined under TSXV Policies; and (ii) the number of Common Shares which may be issuable under the DSU Plan and any other share compensation arrangement:

- (a) to any one Participant, shall not exceed 5% of the total number of issued and outstanding Common Shares on a non-diluted basis at the grant date, unless the Company has obtained Disinterested Shareholder Approval in accordance with TSXV Policy 4.4 to exceed such limit;
- (b) within any one-year period:
 - (i) to any one Participant, shall not exceed 5% of the total issued and outstanding Common Shares on a non-diluted basis, unless the Company has obtained Disinterested Shareholder Approval in accordance with TSXV Policy 4.4 to exceed such limit;
 - (ii) to Insiders as a group, shall not exceed 10% of the total number of issued and outstanding Common Shares on a non-diluted basis, unless the Company has obtained Disinterested Shareholder Approval in accordance with TSXV Policy 4.4 to exceed such limit;
- (c) to Insiders as a group, shall not exceed 10% of the total number of issued and outstanding Common Shares on a non-diluted basis, unless the Company has obtained Disinterested Shareholder Approval in accordance with TSXV Policy 4.4 to exceed such limit; and
- (d) to any one Consultant in any 12 month period must not exceed 2% of the total number of issued and outstanding Common Shares on a non-diluted basis, calculated as at the date any Security Based Compensation (as defined in the DSU Plan) is granted or issued to such Consultant.

Amendments to the DSU Plan

The Board has the right, in its sole discretion, to amend, suspend or terminate the DSU Plan or any portion thereof, at any time, in accordance with applicable laws, provided that no such amendment, suspension or termination may: (i) be made without obtaining shareholder approval, Disinterested Shareholder Approval, and TSXV approval; or (ii) adversely affect the rights of any Participant with respect to the DSUs to which the Participant is entitled under the DSU Plan without the consent of the Participant.

Unless otherwise required by the TSXV Policies, the Board may make the following amendments to the DSU Plan without obtaining shareholder approval: (i) amendments to the terms and conditions of the DSU Plan necessary to ensure that the DSU Plan complies with the applicable regulatory requirements, including the rules of the TSXV, in place from time to time; or (ii) amendments to the DSU Plan that are of a “housekeeping” nature, including for the purposes of making formal minor or technical modifications to any of the provisions of the DSU Plan, or to correct any ambiguity, defective provision, error, or omission in the provisions of the DSU Plan, provided, however, that no such amendment of the DSU Plan may be made without the consent of each affected Participant in the DSU Plan if such amendment would adversely affect the rights of such affected Participant(s) under the DSU Plan.

Termination of the DSU Plan

The Board may decide to terminate or suspend the DSU Plan or discontinue granting awards under the DSU Plan at any time in which case no further DSUs shall be awarded or credited under the DSU Plan. Any DSUs which remain outstanding in a Participant’s Account at that time shall continue to be dealt with according to the terms of the DSU Plan.

The foregoing summary of the DSU Plan is not complete and is qualified in its entirety by reference to the DSU Plan, which is available on the Company’s SEDAR profile at www.sedarplus.ca.

MANAGEMENT CONTRACTS

Kel-Ex Development Ltd. ("Kel-Ex") a company wholly owned by Dr. Charles Fipke, Chairman of the Company, operates some of the Company's mineral property exploration programs and invoices the Company for all exploration work. In turn, Kel-Ex hires third-party contractors and provides its own employees to conduct and supervise the work. It is far less expensive to use Kel-Ex for these services on a flexible, as-needed basis than to employ full-time in-house staff in each of these and other areas. If the Company replaced Kel-Ex with a group of other service providers, costs would increase significantly.

The Company is not required to use Kel-Ex for any services and its agreement with Kel-Ex can be cancelled by either party at any time. The Company chooses to use Kel-Ex's services at its discretion for its service quality, experience and competitive rates, which are typically lower than other third party suppliers. The Company benefits from Kel-Ex's familiarity with the Company's corporate culture and assets, which is a significant asset that saves time and money.

Beyond providing the services as provided above, Kel-Ex charges an administration fee of 10% on all Quebec project costs except invoices from CF Mineral Research Ltd. ("CF Minerals"), a company also owned by Dr. Fipke. In fiscal 2023, the Company was invoiced \$479,489 (2022: \$336,746) by CF Minerals for laboratory and mineralogical analysis costs.

The following amounts were invoiced to the Company by Kel-Ex:

	2023 (\$)	2022 (\$)
10% administration fee	20,253	112,303
Consulting fee	77,826	7,244
Shared exploration costs	7,932	9,416
Shared office and administration costs	13,373	9,489

To put these expenses into context, the services provided by Kel-Ex for fiscal 2022 and 2023 amounted to:

	2023	2022	Average
The Company's spending on Kel-Ex services for the last two fiscal years as a percentage of total expenditures	8.70%	7.56%	8.13%

The Company also paid \$3,531 to Element 29 Ventures Ltd., a private company owned by Chad Ulansky, CEO of the Company, for the services of the CEO, \$21,329 for geological consulting services provided to the Company, and \$20,018 in exploration expenditure. The Company also paid \$34,859 to FourIrons Consulting, a private company owned by Jennifer Irons, CFO of the Company, for the services of the CFO.

Other than as set forth herein, there are no management functions of the Company, which are to any substantial degree performed by a person or company other than the directors or senior officers of the Company.
